

VOMA[®] / School of Design

Interior Design Program

Where Creativity Meets Functionality

Why Interior Design?

Interior design is more than creating beautiful spaces. It is about improving the way people live, work, and experience their surroundings. As lifestyles evolve and the demand for thoughtfully designed spaces continues to grow, interior design has become one of the most rewarding creative professions. It combines creativity, problem-solving, technology, and human-centered thinking to transform ideas into functional, inspiring environments.

Why VONA?

- Studio-Based Learning
- Industry Mentorship
- Technology Integrated Learning
- Real Project Exposure
- Career-Focused Approach
